

Together bringing you the following series of community-based

Navigating the Regional Center System

Designed to provide family members with the tools to access generic resources and services funded through SG/PRC in efforts to promote independence, inclusion and a better quality of life for your family member with a developmental disability.

At SG/PRC, we understand that becoming acquainted with the regional center and learning to cope with your child or family member’s developmental disability can be a challenging-even overwhelming experience. To help you meet this challenge, the following series consisting of five (5) workshops is available to you in English, Spanish, and Chinese at the following community locations.

Workshop Series	
Module 1	Regional Center Purpose
Module 2	The Regional Center- Family Partnership
Module 3	Person Centered Planning & IPP
Module 4	Resources, Services & Process
Module 5	Empowerment & Action Plan
