Self Determination Advisory Committee Meetings & Updates

SDP Waiver application was approved by CMS on June 6, 2018 . We are awaiting implementation guidelines from DDS as to next steps. But we have three scheduled informational/pre-enrollment trainings, as follows:

- English; **June 19, 2018**; and **July 19, 2018** – both at 10:00 am at SGPRC. **June 27, 2018** at OPARC for individuals that we support .
- The next Advisory meeting is scheduled for July 10, 2018 at 6 pm. Future meetings will be held every second Tuesday of the month at 6 pm (unless cancelled by Committee). Please visit SGPRC website.

Fairview DC: We have made excellent progress and only have two individuals left to place.

Person Centered Thinking – We have completed six of six training sessions for SGPRC staff, and are close to getting six of our staff certified in PCT. We are also making changes to forms and processes to align with Person Centered Thinking. We are also discussing changes to our IPP to make it more person- centered.
