Video Example

Hand Washing Example

View and listen to the video example to see how to teach about the steps of hand washing. How can you identify the antecedents, behavior, and consequences in this video example? Play the video and think to yourself: "What are the antecedents? What skills are being taught?"

Lesson 1 Quiz

1. The three-part equation for success in teaching skills is:

- a. Location - Location - Location
- b. State - Desirable - Practice
- c. Antecedent - Behavior - Consequence
- d. Hope - Play - Try Again

Using the correct answer is to break the phrase of teaching skills into the separate steps of Antecedent - anything that occurs before the skill you want to teach - Behavior - the skill you want to teach - Consequence - anything that follows the behavior and will have an impact on whether the behavior will happen again. This three-part skills teaching equation is referred to by the letters A (Antecedent) - B (Behavior) - C (Consequence).
