Comments:

Community Member: Continue doing what you are doing. Current leadership is amazing. Mr. Hill is trying to get rid of the bridge and just be one and connected and appreciates how he is building from the inside out. Sal, stay on the path to streamline and take advantage of the input that parent have. Appreciates everything that you are doing for the community and their needs.

Community Member: Will there be a section on date of those living outside the family/guardian home?

Sal: Yes, the slide on that was there and PowerPoint will be sent put on the website.
