- o Listen to What Others Have to Say

#### **Speaker Time Limits:**

A Speaker Has 1 to 1 ½ Minutes to Speak /Chair Can Extend Time

### **Committee Participation Protocol Standards** **Approved 11/13/2018**

The appointing authorities follow reasonable standards to make decisions about the removal of current members. Although they have not been adopted formally, the following standards are customary:

o After 2 consecutive unannounced absences or 2 unannounced absences out of 4 consecutive meetings held, the appointing entity should generate a *call of interest* to inquire about the member's continued interest.

o After 3 consecutive unannounced absences or 3 unannounced absences out of 6 consecutive meetings held, or failure to respond to a call per the above stated, the appointing entity should send a *letter of interest*, requesting that the member make contact with the appointing party to indicate their continued interest in being a committee member, or to provide an update on their participation.

o If no contact has been made by the member after a letter was sent, the committee may consider making a recommendation for the removal of the member.

When considering absences, mitigating factors – such as the death or illness of a family member, a personal or a sudden change of work schedule -, should be considered. The committee may consider other mitigating factors.
