## Purchase Of Service Expenditure Data

Fiscal Year 2021-2022

San Gabriel / Pomona  
Regional Center

Presented by:

**Salvador Gonzalez**

Director of Service Access & Equity Department

# Agenda

Background

SG/PRC Demographics

Data Review

Equity Projects/Partners

Plan to Increase Access to POS and Generic Services

Community Input

# Background

As of June 27, 2012, the Lanterman Developmental Disabilities Services Act was amended.

It requires the Department of Developmental Services (DDS) and Regional Centers to annually collaborate to compile data in a uniform manner relating to purchase of service (POS) authorization, utilization and expenditure by each regional center.

# Background

---

The data has become known as the POS disparity data.

---

The data may or may not show a disparity. SG/PRC posts these reports on our website as Annual Purchase of Services (POS) Expenditure Reports.

---

These reports include information about authorizations and utilization, as well as expenditures.

---

The Lanterman Act requires that these reports be posted by each regional center on its own website by December 31<sup>st</sup> of each year.

# SG/PRC Demographics

---

SG/PRC's population of people with disabilities is diverse.

---

The percentages of individuals served by SG/PRC in each ethnic/racial group appear to mirror the trends seen of the community at large, taking into account that the data used for comparison is from 2010. New Census data is not yet available.

---

The Asian Community is the only under-represented community. Efforts have been ongoing to improve this challenge.

## 2022 Annual Purchase of Services (POS) Expenditure Data Community Meetings

As of June 27, 2012, the Lanterman Developmental Disabilities Services Act ("The Lanterman Act") was amended, as required by section 4519.5 of the Welfare and Institutions Code (WIC). This amendment required the Department of Developmental Services (DDS) and Regional Centers to annually collaborate to compile data relating to purchase of service (POS) authorization, utilization, and expenditure by each regional center with respect to consumer age, race or ethnicity, primary language, and disability. We will be conducting a series of our annual (POS) expenditure data presentations. Please see the Calendar in [www.sgprc.org](http://www.sgprc.org) for presentations Zoom links, dates, times and languages that we will be providing this presentation. We hope to see you at one of our presentations.
