## **SDP Local Advisory Committee**

As required by law, each regional center must establish a Local Advisory Committee to ensure effective implementation of the SDP and facilitate the sharing of best practices effective consumer and family training materials, implementation concerns, systemic issues, and ways to enhance the program.

These meetings are open to the public. These meetings are held the 2nd Tuesday of each month at 6 pm. For questions about these meetings, please email [selfdetermination@sgprc.org](mailto:selfdetermination@sgprc.org)

## **Currently Recruiting for One Committee Member**

SG/PRC is currently looking for one (1) additional volunteer to join our Local Volunteer Advisory Committee (LVAC) on Self Determination. This advisory committee is comprised of 9 volunteer members - SG/PRC's Clients' Rights Advocate (1 member), State Council on Developmental Disabilities (4 members), and representatives from SG/PRC (4 members).

We strongly encourage adults served by SG/PRC who are in the Self Determination Program to apply. In addition, the LVAC has to represent who we serve at SG/PRC, and therefore we strongly encourage members from the LATINX community to apply, as well.
